

Kumar Rohit Chandra

UI/UX Designer

I'm a designer focused on UI/UX design and front-end development. I design modern, functional and user-centric interfaces with a sharp eye on typography and pixel-perfect compositions. I am currently in my final year at JSS Noida.

Work Experience

UI/UX Design Intern / Cryptorai Inc.

DEC 2017 - APR 2018

Designed information architecture, userflow, wireframes and UI for cryptocurrency tracking app and web-portal. Started with Material Design and later moved to a new extensive branding and design system.

Designer / Almadots

APR 2018 - JUN 2018

Collaborated with a team of developers & marketing analysts to work on an alumni network to enforce better hiring, powered by automated tools for community management, content creation and market research.

UI Designer / Zester

JUN 2018 - AUG 2018

As a freelancer, I worked on an array of projects under Zester such as product landing pages, document signing app, recruitment dashboard & analytic solutions, branding for startups, AI-powered & AR-based apps.

Education

JSS Noida / B.Tech, EE

2016 - 2020

Designed creatives & interactions for college fest, online games, platforms and multiple events.
